Welcome Back to this month's Newsletter!

Curious about what to expect at the 2025 N4CSGA Fall Conference? Look no further, as today's newsletter will be focusing on how to prepare you and your delegation for the upcoming conference.

The 2025 N4CSGA Fall Conference is just a few days away and we are so excited to welcome everyone to Cape Fear Community College! Within this newsletter, you will find information on how to prepare for Fall Conference, and things to keep in mind throughout the weekend. Throughout this year's Fall Conference, we will be focusing on our three main strategic plan initiatives: Financial Literacy, Childcare Assistance, and Community Outreach.

The agenda you have received for the conference will give you more information on how to make the most out of your conference experience!

You can also find access to other resources that you may find helpful when continuing your role as a student leader at your local institution. Some resources included are a spotlight blog written by an N4CSGA representative, and the N4CSGA website (which was recently updated, go check it out!). As always, if you have any questions, feel free to let any of your N4CSGA Executive Board members know. That's all for now, and we can't wait to see you this week!

Stay magical!

Resources of the Month

Every delegation has unique ideas, tips, and resources that make student leadership, and campus life, more exciting and effective. We want this to be a team effort, and N4CSGA wants to hear your suggestions; when everyone contributes, all schools can benefit!

Here's how you can participate:

- Pick a Favorite Resource: It could be a website, guide, tool, campus program, or even a fun activity your school does.
- Tell Us Why It's Helpful: Just a sentence or two to explain why your delegation finds it valuable.
- Submit It to N4CSGA: Use the link provided to send in your resource. We'll feature the submissions in the next newsletter and on the website so every school can benefit!

No idea is too small! Whatever you're passionate about, whether it's something you personally use for leadership, school spirit, student engagement, or campus events, sharing it can inspire other delegations and help everyone succeed together.
