Student
Resources

Hello and welcome!

The North Carolina Comprehensive Community College Student Government Association (or N4CSGA for short) is so excited to welcome you to the first edition of our newsletter series! We will be posting these throughout the year to update you on important changes that are being made within our organization and the North Carolina Community College System (NCCCS) as a whole.

I wanted to start by introducing myself to give you a more familiar feel to the organization.

My name is Bannock Scott, and I am honored to be serving as this year's N4CSGA President. I started my SGA journey around 3 years ago at Gaston College, and worked my way up to becoming President of the Gaston College SGA and the N4CSGA. My experience ranges from event planning to advocacy, and I look forward to using my skillset to help benefit you all.

This year's board was able to jump right into things. We started by determining Financial Literacy, Childcare Assistance, and Community Outreach as our three main goals in our strategic plan, and these will be achieved through our 5 committees. We are also please to announce that our theme for this year will be: "Empowering Voices, Investing in Change." We decided that this theme reflected the vision the N4CSGA had for this year, and represented the N4CSGA to its core. If you would like more information regarding our strategic plan or would like to help one of our committees, please don't hesitate to email us at n4csga@gmail.com.

Again, we are so excited to be representing all 58 Community College SGAs and are so excited to see you in the future. Welcome back to school, and we wish you all the best.

Bannock Scott

Updates & Announcements

Our website just got a major makeover!

We've been working hard this summer to make the N4CSGA website more useful, accessible, and up to date for all student leaders across the Great 58!

Here's what's new:

- Streamlined access to documents, board reports, division meetings, etc.
- Increased Accessibility to Resources
- Easier navigation—including a brand new accessibility tools button
- Dedicated pages for Resources, Blogs, Communications, and Events
- Feedback and Suggestions Form
- And much more!

We're continuously working to improve the site and resolve any issues. Please use the form at the bottom of the homepage to share any concerns or suggestions. Your feedback helps us make the experience better!

[Check it out now!

Last call for open positions!

Two seats are open on the N4CSGA Board, Eastern Representative and Western Representative, and they will be filled **during the Fall Division Meetings**. This is your *last* opportunity to step up, represent your peers, and make a real difference for community college students across North Carolina. We will **not** be accepting any applications beyond fall division, so if you're passionate about leadership, advocacy, and student success, we encourage you to run for one of these important positions!

Membership Dues Reminder

N4CSGA memberships for the 2025–2026 academic year are due the **first week of September**. Colleges are encouraged to submit their membership forms and dues promptly to ensure full voting privileges and participation in upcoming events.

Division Meeting Registration Deadline

Registration for the upcoming N4CSGA Division Meetings is due no later than September 10. All advisors should have received an email with registration details—please check your inbox to ensure your college is signed up, and contact the N4CSGA for any questions or concerns.

Committee Highlights

Finance Committee Updates – Hayley Ale-Beltran, Treasurer

The Finance Committee is working to expand student resources, including financial literacy, childcare, and funding opportunities.

[Read the updates here!](#)

Special Populations Report – Paxton Sutton, Special Populations Chair

This latest report examines how financial challenges disproportionately affect special populations, and highlights gaps in financial literacy, access to resources, and economic opportunities.

Student Resources and Tools

Start the semester strong by boosting your financial literacy! This month's Finance Fridays with the Treasurer dives into key money topics every student should know — including the difference between good vs. bad debt, how credit scores really work, and tips for building credit as a young adult.
